READ. This is what you may expect from this Great "Trial Collection."
"Gentlemen: Late in August, 1928, I purchased two "TRIAL COLLECTIONS." The unusually severe winter killed out many well established trees. However, Excelsa, Christine Wright, American Pillar, Tausendschon, Birdie Blye and Baby Doll wintered over and are in bloom as I write (June). Although only first-size plants they outbloom many of my grafted roses for which I paid \$2.50 each. Although they arrived in the hottest month, August, they were so excellently packed that none even wilted upon being set out. NOTHING YOU SAY IN YOUR CATALOG IS EXAGGERATED." Mr. M. Z. Monticello, Wisconsin.
